## REELS TEMPLATES

Explode your reach by using these done-for-you templates in just a few clicks! Reels allows you to share bite-sized, engaging information with your followers. By using these templates you can create short 3 to 90-second video clips that you can add filters and music to. And the best part of all...you don't have to be on camera!

### INSTRUCTIONS

#### Step 1.

Click on the desired template to open in Canva

#### Step 2.

Upload your photos into Canva and then into the templates

#### Step 3.

Customize your relevant information

#### Step 4.

Download as mp4 video

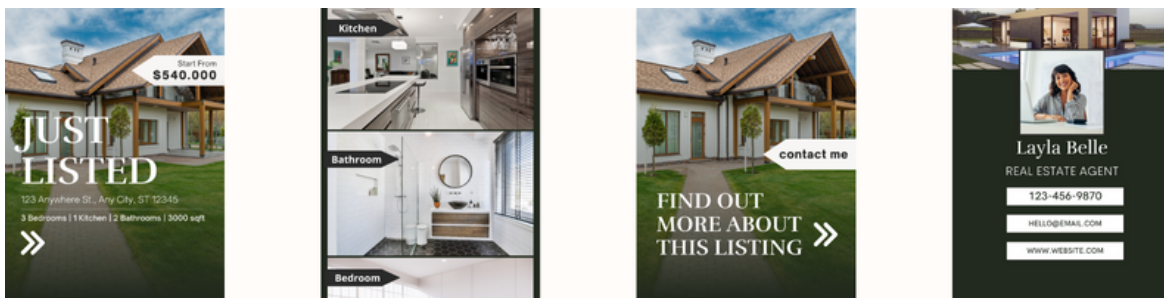

#### Step 5.

Upload to Reels (Don't forget to add trending audio in Instagram before you post!)
